CITY TRUSTEES

Details of Annexation Election
Threshed Out—At a Special
Meeting Wednesday It is
Called for March 30th

To accommodate interested parties who were present the report of the Consolidated Water Co. was taken up and referred to the public works committee. Mr. E. P. Thom, representing the Thom and Ross interests, appeared before the board. Mr. Thom stated that in the matter of outlining a new district for annexation to Glendale he had consistently opposed the taking in of the Thom and Ross properties, and still considered it an unjust proposition, but in view of certain conditions he would no longer oppose it. He referred to charges made by the opponents of annexation in the late campaign to the effect that undue favoritism had been shown their interests, declared that such assertions were without a shred of foundation to rest upon and challenged any one to prove the contrary. The chairman, Mr. White, expressed the appreciation of the board for the fairness with which Mr. Thom had presented his side of the case, and the city attorney was requested to prepare a set of resolutions expressing the appreciation of the trustees for the fair and generous action of Capt. C. E. Thom and Judge E. M. Ross in regard to the proposed boundaries of a new annexation district.

Judge Wheaton M. Gray, Messrs. Fitzpatrick and Averill appeared before the board and made an application for a pipe line franchise for conveying oil along the westerly boundary of the city of Glendale along the San Fernando road, the parties representing the Esperanza Oil Co. In the midway field. Judge Gray requested that the board at once take action in advertising the franchise for sale. On motion of Mr. Coker the matter was referred to the city attorney to report later.

The board reverted to regular order and a long list of demands was read. Street superintendent reported on the work done during the week. Mr. Hartruff representing the Western Empire people, appeared and referred briefly to the lines proposed for the next annexation election. He expressed the wish that if any part of the Mesner ranch is to be included, the whole of it be taken in. At this point Mr. White vacated the chair in favor of Mr. Watson, and retired to consult with Messrs. Hartruff and Wilson in regard to the same matter.

The city attorney reported back favorably on the question of advertising the sale of a franchise as requested by Messrs. Gray and Fitzpatrick. On motion the recommendation was adopted and the advertisement ordered published.

It was ordered that application to put poles on public streets hereafter be referred first to the light department for its recommendation. An application from L. E. Jones for the position of janitor in the new city hall was referred to the supply committee. Report of the Verdugo Pipe and Reservoir Co. was referred to the committee on public works.

A complaint in regard to a cesspool was referred to the police and sanitary committee. A resolution was adopted ordering the improvement of Verdugo road.

The board proceeded to canvass the returns of the late annexation election. The votes were duly counted and the result announced as follows:

Outside—Total number ballots cast 399; yes, 164; no, 235.
Inside—Total number ballots cast, 475; yes, 295; no, 180.
Adjourned to Wednesday evening at 8:30.

MEETING OF PROPERTY OWNERS.

There will be a meeting of property owners of the recently annexed territory on Friday evening, Feb. 23, at 7:30, at the tent at Sixth and Columbus streets, to consider the matter of street lights for this section.

The meeting is called to ascertain their wishes as to the electric light lines soon to be erected. There is a proposition to have the wires put underground and to have neat iron standards instead of poles if the property owners will bear the extra expense, which it is estimated will amount to \$8.00 for every fifty-foot lot.

ANNEXATION AGAIN

The Issue Very Much Alive—Remarkable Work Accomplished in Harmonizing Differences—Another Election Called

Some people naturally thought when the votes were counted on the evening of Feb. 12th that annexation had been defeated, the vote on that day having gone against the proposition in the outside territory. But as events have demonstrated any such idea was premature. Immediately after the announcement of the result of that election the irrepressible boosters living on the outskirts of the city of Glendale on the north who know the benefits of municipal control, again got busy. But more important in bringing about the results since accomplished was the action of the city trustees. At the trustees' meeting a week ago, Chairman White brought the matter before the board and the new project was started. In speaking of the matter Mr. White said that in view of the fact that

Trustee Watson had been forced to bear the attacks of the opponents of annexation in the contest just ended, and had been subjected to abuse of several kinds, it was only fair that in the attempt to secure for the city control of the water supply in the campaign to be started now, the responsibility should be borne by the trustees as a body and that they should from this time on work together and openly to secure this object. This seemed to be the unanimous opinion of the members and the matter has been proceeded on those lines.

The principal arguments used by the opponents of annexation in the recent contest were based on the following charges: That there was misrepresentation as to the lines; that the Thom and Ross property should have been included in its entirety; that the object was to take from Casa Verdugo two principal assets, the Spanish restaurants with their licenses to dispense liquid refreshments; that the work had all been done in secret. Having this fact in mind the trustees formally resolved that the next annexation campaign should be planned on different lines. In pursuance of this policy all of the meetings have been attended by a number of other citizens outside of the members of the board and parties directly interested, detailed minutes have been kept which are open for inspection and the trustees are anxious that everything shall be "wide open." When the board adjourned Tuesday evening it was to meet in Verdugo Canon Thursday morning and outline the extent of the proposed annexation territory. All of the trustees were present except Mr. Coker and there were with them Messrs. E. M. Lynch, H. Lynch, Woodberry, Overton, Evans, Jones, Sternberg, Parker, Kirk, Beach, Cole Wilson, Faries and C. D. Thom. After discussing the matter at some length Mr. Thom expressed the opinion that in view of the rumored intention of Casa Verdugo citizens to start a municipality of their own in which the Thom and Ross properties would be absorbed, he favored the alternative of coming into the city of Glendale. This matter was considered of such importance that it was decided to send a delegation to San Francisco to consult with Judge Ross, the delegation consisting of Mr. C. D. Thom and Mr. Geo. Holman. The delegation performed their duty so satisfactorily that two days later the following telegram was received by Mr. White:

"San Francisco, Feb. 17th, 1912.
"John Robert White, Jr.,
President Board of Trustees.
"I regard it essential that the limits of Glendale be sufficiently extended to enable the city to protect the source of water supply against pollution, and consider it right that such portion of our water, I am willing that it be included and consider such protection to be permanent to any individual interest."
(Signed) "ERSKINE M. ROSS."

In the meantime there had been a meeting in Los Angeles at the office of Messrs. Jones and Evans where Trustee White and Coker and a number of citizens met with Mr. E. P. Thom and thrashed the matter over for two or three hours. Mr. Thom presenting in a very able and persistent manner his reasons for the exclusion of the Thom and Ross properties. Still another meeting was held on the 17th after the receipt of the telegram from Judge Ross which proved to be the conclusion of the matter. At this meeting Mr. Paddelford of Casa Verdugo stated that he and ten of his neighbors were prepared to support the annexation proposition if the ranches were to be included. A report was also submitted of a poll taken in the territory showing that on these proposed lines there were 107 votes considered favorable to annexation, 60 against and 10 doubtful, aside from twenty votes in Verdugo Canon. Another committee consisting of Messrs. Kelly, Paddelford, Adv. Mueller and Lockwood was appointed to make a canvass of the territory. A final meeting was held on the 18th when on motion of Mr. Emery, president of the Chamber of Commerce, the lines were adopted as they at present stand, with the exception of some slight changes made by the trustees on Monday evening on the request of Casa Verdugo people.

The lines of the proposed territory are approximately as follows: Beginning at the point 150 feet east of Central avenue on the present north boundary line, continuing east to what would be a continuation of Maryland avenue, thence north to a point 150 (2) feet south of Fairview avenue, thence jogging westward to rear lot lines; then running north to a point 150 feet south of Stocker street; thence east to the Thom and Ross line which follows northerly over the mountains a distance of about 2 1/2 miles; thence northeasterly and easterly a distance of two miles to a point about one-third of a mile above the first fork of the roads leading to Crescenta and La Canyada; thence southerly along the ridge east of Verdugo road until almost reaching the present city boundary on Verdugo road; whence it runs down the west side of Verdugo road to the city boundary just north of the Woodberry hill.

The interests that opposed the proposition that was defeated on Feb. 12th are either left outside of the city by the new lines or have expressed themselves as fairly satisfied with the present plan.

At the special meeting held Wednesday evening the trustees fixed the date for the election as March 30, and the campaign which now promises to be one of education merely, is now on.

Gray made application on the part of the Esperanza Consolidated Oil Company for a pipe line franchise to be advertised along San Fernando road on Glendale's west boundary line. Mr. F. E. The company is at present capitalized for \$7,500,000, and is soon to increase its capitalization to \$50,000,000. The line is to cost \$3,500,000, including its pumping plants, etc., and will carry 24,000 barrels of oil daily to the southern market. This company should not be confounded with the company that is preparing to pipe natural gas from the same fields. It proposes to deal in oil exclusively.

VALENTINE DINNER PARTY

On Valentine's evening, Chapter L of P. E. O. entertained at dinner in honor of its B. I. L.'s at the home of Mrs. E. U. Emery of Kenwood street. Decorations were shower bouquets of dark red carnations and fern combined with festoons of tiny red hearts. Heart place cards marked covers for sixty guests. During the last course Professor A. W. Tower, on behalf of the B. I. L.'s arose, and at the conclusion of a most brilliant speech in appreciation of the charming qualities of all members of Chapter L, presented the president, Mrs. John G. Hunchberger, a bunch of violets containing exactly one flower for each member. It was artistically decorated with many yards of red baby ribbon which was probably left over from Christmas. With this was a handsome big valentine heart accompanied by a sales check for twelve and a half cents. Overwhelmed with the enthusiasm and gratitude of the receivers of this generosity Prof. Tower resumed his seat. Dr. A. L. Bryant, who always endeavors to go the last fellow one better, then took the stand. His address was overflowing with pathos, loving kindness and poetry. When one and all were reduced to tears, he presented the chapter with a check for fifty dollars with the compliments of its B. I. L.'s. Every member of Chapter L desires to publicly express their gratitude for the thoughtfulness which lies back of this most practical gift as well as for the gift itself. State convention of P. E. O. will be held in Glendale in 1914. At the conclusion of the dinner a short musical program was rendered, following this was the initiation into the order of seven B. I. L.'s, a ceremony of impressive dignity. Those initiated were Professor A. W. Tower, Dr. A. C. Blackburn, Mr. Walter Cheever, Mr. Gus Pulliam, Mr. Albert Randolph, Mr. E. U. Emery and Mr. E. D. Goode. Mrs. Hunchberger assisted Mrs. Emery as hostess of the evening.

more territory upon which to levy
taxes, but to enable the city of Glen-
dale to protect the water supply not
only of the people within its municipal
borders, but incidentally the people of
Caca Verdugo and the foothill section
as well as the residents of Tropic.

It is a large and commendable pro-
ject and great credit is due to the
trustees of the city of Glendale and
the citizens who assisted them in
smoothing down the rough places and
practically obliterating all opposition
to the present plan. As it is outlined
now the entire acreage of Capt. C. E.
Thom and Judge E. M. Ross is in-
cluded in the territory it is proposed
to annex. The committee having
charge of the matter of fixing bound-
aries for the territory to be annexed
as proposed at the date election, recog-
nized the injustice of taking into the
city these two ranches in their en-
tirety. The unjust phase of the matter,
has not been done away with, but as
an issue it has been eliminated by the
generous and patriotic action of
Messrs. Thom and Ross as set forth
in the telegram of Judge Ross to
Chairman White published on another
page.

It is certainly the idea of the present
board of trustees that the city
should deal very leniently in the mat-
ter of taxing this large amount of acre-
age should it be annexed to the city.
Much of it is valuable productive or-
chard which gains practically nothing
from having extended over it the mun-
icipal authority, and the assessment for
city purposes should certainly be light.

It is difficult to imagine any effective
argument that may be made against
the proposition as at present outlined,
but the possibilities of the human
mind are unfathomable.

WASHINGTON AND LINCOLN.

Editor Willard of the California Out-
look is a very able writer and usually
logical in his scholarly output, but in
a recent article comparing Washington
and Lincoln, he classes the former as
conservative and the latter as radical,
a classification which seems to us not
to be warranted by historical or bio-
graphical facts. The two characters
were typical of such different eras that
comparison is difficult, but it is not

hard to believe that if living at the
same time and facing the same great
problems they would have stood on
the same platform or shoulder to shoul-
der in the ranks. They started life
under conditions as dissimilar as can
be imagined, but both faced in the
same direction, animated by identical
motives, the unselfish love of country
and of their fellowmen. But in what
way was Washington conservative?
Certainly to be the head and foot of a
rebellion against authority does not
constitute conservatism! The con-
servatives of revolutionary times were
the Tories. The position of Lincoln
was on the contrary strictly conserva-
tive; he felt that it was his high duty
to defend to the last the established
authority, to put down the rebellion.
And the real conservatism of his char-
acter was manifest in his treatment of
the slavery question.

A present-day radical in Lincoln's
position would not have allowed the
Civil war to run its course for two
years before issuing the emancipation
proclamation. A type of the radical
of that time in a position of authority
was Gen. John C. Fremont who on
his own responsibility issued a procla-
mation in the military department un-
der his command, declaring the slaves
to be free, and his action was promptly
repudiated by his superiors. It was
Lincoln's great regard for the consti-
tution that caused this delay in free-
ing the slave. The radicalism of today
would have disregarded the constitu-
tion with the specious plea that the
end justifies the means. Washington
was a product of the times that bred
statesmen. He stood at the head and
front of them, but his contemporaries
composed a brilliant galaxy of men
who recognized statesmanship as an
art and studied it with diligence. As
a foundation for their knowledge of
the subject they made themselves ac-
quainted with the history of men and
nations and were familiar with the
wellspring of human nature. As a
combination of soldier and statesman
Washington was unique, a success in
either role, but the era in which he
lived produced other men who were
probably his equals in ability. Cer-
tainly Benjamin Franklin was in the
same high class, and quite possibly of
more varied accomplishments.

SUES FOR BREACH OF LEASE.

In Judge Melrose's court at Tropic,
J. W. Parker sued J. S. Neel, for one
month's rent of a house on Lomita
avenue. It seems that Neel leased of
Parker for one year, but only occupied
the house one month regardless of his
lease agreement. The judge awarded
the plaintiff all that was sued for,
one month's rent, although had he
sued for one year's occupation, the
judge intimated that the judgment
would have favored the plaintiff just
the same.

CITIZENS LEAGUE OF GLENDALE.

This is a new organization that came into being at the K. of P. hall, last Thursday evening. The principal business transacted was the election of officers. Mr. J. W. Usilton was the unanimous choice for president; Mrs. Besale Jones was elected vice president, and Mr. I. H. Russell, secretary and treasurer. It was decided to appoint an executive committee consisting of two members from each of the four precincts of the city. From precinct number two Mr. C. F. Parker and Mr. C. J. Letta were selected.

From number three, Dr. Jessie A. Russell and Mr. C. A. Rudell were chosen. Representatives from numbers one and four are to be chosen at the next meeting. The constitution of the organization sets forth its purposes as follows:

(a) To unite and organize the forces of good government and maintain an organization for the purpose of promoting all movements for the welfare of the city.

(b) To secure the best system of municipal government.

(c) To support worthy candidates for election to office and oppose such as are unfit.

(d) To take notice of the conduct of the officials of the municipality and to commend or condemn as the occasion may require.

It was decided to hold another meeting at the K. of P. hall on Tuesday evening next, Feb. 27th, at which time nominations will probably be made for school trustees and possibly a ticket for municipal officers be endorsed.

DR. HUNT MEETS SERIOUS ACCIDENT.

Dr. D. W. Hunt, the well-known physician, was the victim of a serious accident last Monday evening. He was attempting to board a Pacific Electric car on Sixth street, in Los Angeles about six o'clock in the evening, when, as the car was moving, he lost his foothold and fell. Police Officer Everett happened to be aboard, and caught the doctor as he fell, the latter not realizing until he put his foot down that he had in some manner broken his leg above the ankle. While on the car, under the doctor's directions, Mr. Everett pulled the broken bones into position. At the Glendale depot, Dr. Chase met the car, and after conveying the victim to his residence gave him the necessary attention.

Both bones are broken, but as it appears to be a clean break, the doctor will no doubt be about again in a few weeks.

New Meat Market will open at 708 West Fourth street (now City Hall) about March 1.

Something About People You Know

Miss Shipp's dancing class will meet Saturday evening at 7:30 in I. O. O. F. hall.

Another of those delightful affairs, a dance to Smehy's music at K. of P. hall, Saturday evening, Feb. 24th.

Mrs. John Robert White, jr., of Orange street, entertained at luncheon Wednesday at high noon.

Mrs. Arthur Cross of Doran street entertained at her home Tuesday evening in honor of Mrs. E. L. Payne.

Mr. and Mrs. John W. Parker expect to leave this week for Azusa where they expect to reside for the present.

Mr. and Mrs. Walter Stamps of 1306 Lomita avenue entertained Miss Pauline Land of Los Angeles and Mr. Merrill Russell of Los Angeles at dinner on Monday evening.

Dave Carvey has been painting the front of his store red, a suggestive tint, but he assures our reporter that he has no intention of putting any extra color on the town.

Mrs. W. A. Anderson returned home this week, after having undergone a severe but successful surgical operation, from the effects of which she is rapidly recovering.

The NEWS was in error last week in stating that the city marshal is one of the officers to be elected in April. A recent law makes that office an appointive one.

N. R. Faulkner and wife, who have been visiting their cousin Mrs. Ebers, of Belmont street, left for their home in Loveland, Col., after a stay of several months. They took with them a goodly box of oranges.

Smehy's orchestra and a few dances at K. of P. hall tomorrow (Saturday) evening, and don't you forget it.

Mr. and Mrs. Peter L. Ferry of 524 Tenth street are receiving congratulations on the arrival of a baby boy last Monday morning. He enters the race at seven pounds and has already taken charge of the family.

Mrs. C. L. B. Moore of West Second street, entertained at luncheon in her home on Wednesday. Covers were laid for fifteen guests, including visitors from Los Angeles, Toledo, Ohio, and Glendale.

Mr. W. C. Stone has exchanged his home on Lomita Ave. near the packing house for Santa Monica property and Mr. and Mrs. Stone leave this week (see Laguna Beach, Orange county, where they will make their home for the present.

Miss Rhoda Tompkins of Boston is visiting at the home of J. C. Waite, 707 Central avenue. She expects to remain about six weeks and will visit all the California watering places before returning to her Back Bay home.

Remember the dance at K. of P. hall Saturday evening.

On Tuesday afternoon Mrs. Nanno Woods addressed the girls of the Sixth, Seventh and Eighth grade of the Carroll Park school, Long Beach and members of the Parent-Teacher Association on the "Sweetness of Perfect Bloom." About 250 were present.

TROPICO

Mrs. Anna L. Smith of "Quinta Ana," is entertaining for several days, Mrs. J. W. Inler, formerly of this place, but now of Imperial.

John Kirkham and family, who have been planting potatoes on a piece of land near Riverside, have returned to their home at this place.

After enjoying a two months' visit with his son, George H. Peterson and family of Cohoes, N. Y., left for his eastern home this week.

In the near future Charles Elsie of West Park avenue, will move with his family to Nogales, Arizona, where he has taken up a tract of government land.

F. R. Sinclair has been awarded the contract for the improvement work to be done on Laurel avenue. The work will be started as soon as possible.

Mrs. Hanford and daughter have sold their property on Central avenue just north of Park avenue and have purchased a home in Los Angeles where they will reside permanently.

The ladies of the N. P. Banks Woman's Relief Corps will hold an all-day meeting at the G. A. R. hall on Glendale avenue today. A program will be given and a luncheon will be served at noon.

After passing several months in El Paso, Texas, Mr. and Mrs. George W. Rehm have arrived in Tropic and will remain as guests of Mr. Rehm's mother, Mrs. Mary Holton for a short time.

The improvement work on Cypress avenue is progressing nicely. Up to this time the street has been torn up as far east as the Pacific Electric tracks, and operations are being rushed to completion.

The date for the election for \$20,000 bonds for the erection of a lighting plant has been set for March 12th. We hear that many of the voters who opposed the bonds at the last election will not fight the issue at the coming election.

The residents of this place were startled several days this week by the aeroplanes from the new field in Griffith Park, traveling over the city. On several occasions the machines were quite low while passing over the city and the drivers of the aircraft could be plainly seen.

A small shed has been erected on the lot near the Bank of Tropic building for the housing of the Tropic fire fighting apparatus. The machines were formerly kept in any of the barns of the neighborhood. Very recently the Imp. Moving Picture company made use of the Tropic fire machine and hose reel in a motion picture scene.

The Ladies' Aid society of the Tropic Methodist church gave a chicken dinner in G. A. R. hall on Glendale avenue yesterday evening. Dinner was served from 5:30 until 8 o'clock and the ladies were kept busy passing out the good things to eat. While the dinner was in progress, in the dining room, games were played and musical numbers were enjoyed in the main hall.

FRATERNAL BROTHERHOOD DANCE AND RECEPTION.

The often meeting and dance given by the Fraternal Brotherhood lodge of this city, No. 902, was one of the finest and splendidly carried out events ever held in this city for months. In some particulars this event equaled if not surpassed the elaborate event given by the Tropic Knights of Pythias lodge Monday evening, although the attendance was not quite so large, there being about 350 people present.

The hall was artistically decorated with an abundance of patriotic bunting and American flags. Many flowers and greenery were utilized to pleasing effect in the decorations of the banquet tables.

Seventy-five members of Hermosa lodge of Los Angeles were present, including James A. Foshay, supreme president of the order. The trip from the city was made in a private car. Shortly after the calling of the meeting to order a drink was given by the crack Hermosa drill team, this being the finest event of its kind ever seen here.

Introductory remarks were made by Frank H. Davis, president of the Tropic lodge, who introduced the speaker of the evening, President Foshay. Mr. Foshay's address was eloquent, instructive and entertaining, and was enthusiastically received. Following the program dancing was enjoyed until the wee small hours.

During the evening elaborate "light refreshments" were served, it being estimated that at least 250 persons partook of the many good things that had been prepared.

Everything was grand, the F. B.'s spread themselves and were rewarded by receiving scores of congratulations. Those who attended are cherishing the memory of the event and in their hearts are crying, "Come again."

WEST GLENDALE

A mistake was made in last week's NEWS which we wish to correct. We stated the spring vacation would come about the middle of March. It should have been March 29th, all schools closing on the same date.

Mrs. Kibbe, formerly taught the sixth grade in the West Glendale school, the pupils of which had the honor of sending her the first wedding present, a beautiful set of after-dinner coffee spoons, with her initial engraved.

If Professor Howe of the High school should be a little absent-minded this week, and doesn't have his hair parted in the middle, please overlook it, for the Stork left a fine bouncing baby girl at his house on Sunday morning, Feb. 18th.

Mrs. E. O. Williams is now at home to her friends, 1442 W. Fourth street, where she is doing as nicely as can be expected. Mrs. J. J. Schremp is at present able to be in a wheeled chair at the hospital, but is not expected to be home for several weeks.

Mr. and Mrs. C. T. Copeland of Seattle spent Sunday at the home of Mrs. Copeland's cousin, Mr. Wm. Hyatt on West Fourth street. They have divided their time throughout the winter equally between San Diego and Glendale, and are very much in love with our country.

Mr. Kibbe is a well-known attorney in San Luis Obispo, formerly of Tonah, Wash. The newly-established family consisting of Mr. and Mrs. Kibbe and the two little daughters, Leora and Janice, takes up its abode at once at 865 Santa Rosa street—San Luis Obispo, Cal.

On Monday evening, Feb. 12, at 5:30 at the home of Mr. and Mrs. A. D. King, 756 Toro street, Mr. Peil Carlyle Kibbe and Mrs. Luella Rensberger were united in marriage. The Rev. Mr. H. H. Hoeker officiated. Mrs. Hoeker rendered the Mendelssohn wedding march during the ceremony. Mrs. Rensberger, recently a teacher in the West Glendale school, is a daughter of Mrs. Minerva Wooley, who resides at 760 Toro street, and a sister of Mrs. King in whose home she has been a guest the past few weeks.

There has been considerable talk of late which has been the means of a number of mothers keeping their children out of school, that is in the West Glendale school, and that is this: There is scarlet fever in the school. Mrs. Taylor as principal wishes it absolutely understood that there is absolutely no danger whatever, and no cause for worry. There was one case of late, but the child was taken with the disease away from school, and one or two who were playing with him were isolated, not allowed to return until all positive danger was passed. And any suspicious child noticed in school is immediately sent home, there to remain until the nature of the illness is determined. This is done for the safety of themselves and the entire school.

VALENTINE PARTY

On Feb. 14th, the pupils of the seventh grade of the West Glendale school gave a Valentine Party in costume at the home of their teacher, Miss Douglas. The evening was pleasantly spent in games of various kinds, music, etc., and a jolly good time. Dainty refreshments were served and the young folks left, wishing that Valentine day would soon come again.

MASQUERADE PARTY.

Miss Caroline Watling, assisted by Miss Dorothy Crewe, entertained the eighth grade of the West Glendale school with a masquerade party at the home of Miss Watling on Friday, Feb. 16th. The rooms were decorated for the occasion, and prizes offered for the best costumed young girl and boy. Miss Emma Cushman secured the first prize for the girls, and Roy Freeman for the best boy's costume. A very enjoyable evening was spent, and when the time came to leave, they all said—too soon.

P. T. A.

A room filled with mothers and friends attended the Parent-Teacher Association meeting on Thursday, Feb. 15th, at the West Glendale school. Mrs. Mary Gridley who was to have been the speaker of the afternoon, was unable to be present on account of illness. However, there was a very good program of music by the pupils of the different grades and the manner in which the numbers rendered reflected much credit on the instructor, Miss Foster, who charmed her hearers, with some excellent piano selections. Vocal selections by Mrs. Thomas Thornton, accompanied by Mrs. Balthus as pianist, were heartily enjoyed by every one. The association is desirous of sending two delegates to the convention to be held in Texas in May, and in order to be entitled to this, there will have to be fifty "paid-up" members on the roll. There was found to be at the meeting forty-seven paid-up members, and all those who have not paid their dues, 50c per year, are urged to do so at their earliest convenience. At the close of the meeting refreshments of tea and wafers were served and a general social time enjoyed by all.

Don't forget "Reciprocity" Day, March 8th. It will be an all-day affair at the high school, with excellent speakers, music, etc. There will be a substantial lunch furnished by the Parent-Teacher association at a nominal price, and in the afternoon the visitors will be treated to automobile rides, the service of the autos to be donated, and any person who has an auto that he is willing to donate the use of, for a short time on that day, will have the gratitude of the P. T. A. in general.

WORTH WHILE CLUB.

The Worth While Club met Monday evening, Feb. 12, with Miss Cella Wilson on Central avenue. Miss Wilson presented a very interesting program on Mendelssohn, with an outline of his life and musical compositions, and several musical numbers. Those who assisted in the musical program were: Miss Monica Smith, Miss Miriam Harrison, Miss Ethel Porter, Miss Mazie Black and Miss Wilson.

from the date of the granting of said franchise, and at the expiration of each and every year thereafter, a statement, verified by the oath of said grantee or his or its successors or assigns or by the oath of the manager or presiding officer of said grantee or his or its successors or assigns, showing in detail the gross receipts and gross earnings collected or received by said grantee or his or its successors or assigns during the preceding twelve months, arising from the use, operation or possession of said franchise, and within ten days after the time for filing the aforesaid statement, it shall be the duty of said grantee and his or its successors or assigns to pay to the City Treasurer of said city the aggregate sum of the said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise. And if the amount paid is incorrect, in the judgment of the Board of Trustees, they may order the payment of such additional sum as they may find due hereunder, and if not paid, the same may be collected by suit. And any neglect, omission or refusal by said grantee or his or its successors or assigns to file said verified statement, or to pay the said percentage of the said gross annual receipts at the times or in the manner hereinbefore provided, shall ipso facto work a forfeiture of said franchise and of all rights thereunder to the said city.

That said grantee or his or its successors or assigns shall not sell, transfer, assign or lease said franchise or any part thereof, or any of the rights or privileges granted thereby, except by a duly executed instrument in writing filed in the office of the Board of Trustees of said city, and nothing in said franchise contained shall be construed to grant to said grantee or his or its successors or assigns any right to sell, transfer or assign or lease said franchise or any of the rights or privileges thereby granted except in the manner aforesaid.

That any neglect, failure or refusal to comply with any of the conditions of said franchise shall thereupon immediately ipso facto effect a forfeiture thereof, and the said city by its Board of Trustees may thereupon declare said franchise forfeited, and may exclude said grantee or his or its successors or assigns from further use of the highways of said city under said franchise; and said grantee and his or its successors or assigns shall thereupon and immediately surrender all rights in and to the same, and said franchise shall be deemed and shall remain null, void and of no effect.

Notice is hereby given that sealed bids in writing will be received at the office of said Board of Trustees for said franchise up to 7:30 o'clock p. m. of the 15th day of April, 1912.

That the bids received will be opened at that time; that all bids must be for the payment of a stated sum in gold coin of the United States; and that the franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor, provided, only, that at the time of opening said bids any responsible person, firm or corporation, present or represented, may bid for said franchise a sum not less than ten per cent. above the highest sealed bid therefor, and that said bid so made may be rejected not less than ten per cent. by any other

responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Board of Trustees to the highest bidder therefor in gold coin of the United States, and provided further that the Board of Trustees reserve the right to reject any and all bids.

Each sealed bid must be accompanied with cash, or a certified check, payable to the City Treasurer of said city, for the full amount of said bid, and no sealed bid will be considered unless said cash or check is enclosed therewith; and the successful bidder must deposit at least ten per cent. of the amount of his bid with the Clerk of said city before said franchise will be struck off to him, and if he shall fail to make such deposit immediately, his bid will not be received and will be considered as void, and said franchise will then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure will be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent. of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk within twenty-four hours after the acceptance of his bid the remaining ninety per cent. of the amount thereof, and in case he or it fails to do so, then the said deposit theretofore made will be forfeited, and the award of said franchise will be void, and said franchise will then and there, by said Board of Trustees, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder fails to deposit with the City Clerk the remaining ninety per cent. of his bid within twenty-four hours after its acceptance, the award to him of said franchise will be set aside, and the deposit theretofore made by him will be forfeited, and no further proceedings for the sale of said franchise will be had until the same shall be readvertised for sale.

Notice is also hereby given that the successful bidder for said franchise must within five days after said franchise is awarded to him or it, file with said Board of Trustees a bond running to said city in the penal sum of five hundred dollars (\$500.00), with at least two good and sufficient sureties, to be approved by said Board of Trustees, conditioned that said bidder will construct said pipe-lines and shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon said bond. If said bond be not so filed, the award of said franchise will be set aside, and any money paid therefor will be forfeited.

By order of the Board of Trustees of the City of Glendale made at a regular meeting of said Board on the 19th day of February, 1912.

G. B. WOODBERRY,
City Clerk and Ex-Officio Clerk of the Board of Trustees of the City of Glendale, County of Los Angeles, California.
